About the blog:

Celebrating Family is a site for today's moms. Here you will find recipes you can easily make, doable crafts, family travel ideas, product reviews, family-oriented movie reviews, family activity ideas, and more. Life is complicated enough so Celebrating Family focuses on the simple things in life.

About Janice:

Janice and her family live in the Arizona desert. Janice loves to write, read, cook, hike, run, and watch movies. She is currently working on her doctorate and encourages women everywhere to find their purpose and be strong role models for their children.
